

Connetquot Special Education PTA

Welcome Parents!

Connetquot SEPTA is a **district-wide** PTA serving all of the students from K-12 receiving support services. We aim to foster opportunities that bring together parents, teachers and staff. We encourage that sense of unity so that our children experience success and growth. It is our goal to provide families with resources as well as opportunities to be a collective voice and advocate for our children. For your convenience, attached below is the membership form. Please detach and mail to the address provided. You can join online at <http://connetquotsepta.org>.

The SEPTA website is available through our school district website. www.ccsdli.org. Under the "Community" tab. Here you will find the membership form, meeting dates and other useful information.

**questions? Email us at: ccsdseptapres@gmail.com
